

# NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the County of San Diego will conduct a public hearing on a County initiated General Plan Amendment and Rezone as follows:

## HEARING INFORMATION:

Date: September 18, 2015  
Time: 9:00 a.m.  
Location: County Operations Center (COC) Conference Center Hearing Room,  
5520 Overland Avenue, San Diego, CA 92123-5201

APPLICANT: County of San Diego

PROJECT/CASE NUMBER: 2015 General Plan Clean-Up General Plan Amendment and Rezone; GPA 14-001; REZ 14-001

PROJECT DESCRIPTION: The County of San Diego Planning & Development Services proposes a General Plan Amendment (GPA) and Rezone to facilitate the proposed changes associated with the 2015 General Plan Clean-Up. As part of the August 3, 2011 adoption of the General Plan Update, the County Board of Supervisors directed staff to bring forward a General Plan 'clean-up' every two years in the form of a GPA. The Clean-Up GPA is intended to provide a regular mechanism for making minor changes to the General Plan to correct any errors or discrepancies discovered during the Plan's implementation or to reflect changes in circumstances.

This is the second Clean-Up processed since the adoption of the General Plan Update. The types of changes in the Clean-Up fall into the following categories: General Plan text revisions, Implementation Plan, Mobility Element Network, community/subregional plans, and zoning changes for consistency with the proposed Land Use Map changes. The proposed GPA and zoning changes may be viewed at: <http://www.sandiegocounty.gov/content/sdc/pds/advance/2015gpclean-up.html>

LOCATION: The proposed General Plan text changes apply to the entire unincorporated County, while the rest of the proposed changes apply to specific areas throughout the unincorporated County.

ENVIRONMENTAL STATUS: The project will rely on the previously certified Environmental Impact Report for the County of San Diego General Plan Update, certified August 3, 2011 (ER 02-ZA-001; SCH 2002111067), and Addendum thereto, dated September 18, 2015, on file with PDS as Environmental Review Number 14-00-001.

GENERAL INFORMATION: This public hearing is accessible to individuals with disabilities. If interpreter services for the hearing impaired are needed, please call the hearing secretary at (858) 694-3816, or California Relay Service, if notifying by TDD, no later than seven days prior to the date of the hearing.

NOTE: If you challenge the action which may be taken on this proposal in court, you may be limited to raising only those issues you or someone else raised at the above public hearing, or in written correspondence delivered to the Hearing Body at or before the hearing. Rules of the Hearing Body may limit or impose requirements upon the submittal of such written correspondence.
