Subject: Re: Unredacted WRI eagle report

Thanks Brock. I'll get the report to anybody else in the Service that needs it.

Eric

Hi Eric,

This is in regards to the Soitec Boulevard projects (Rugged, LAN sites, TDS). I am not sure if you are the correct person at the Service to provide this to, but one of the items to check off our list is to provide the Service with an unredacted version of the WRI golden eagle report. I understand that the Service already has this data, but wanted to make sure you have the entire copy. Please let me know if this should be forwarded to someone else. Thank you much for your help.

Best,

BROCK A. ORTEGA
