WRITTEN COMMENT FORM

*I am deeply concerned and in total
opposition to this program, as my ranch and
livestock is directly across Tierra Del Sol Road
from Soitec's 420 acres Tierra Del Sol project.
Another major concern is for the health and
safety of the people, the animals, the impact
on my well and the increased fire risks related*

In addition to my aforementioned
concerns, I am in total support
of the Boulevard Planning Group;
Backcountry Against Dumps, and the
Protect Our Communities Foundation in
their justified opposition and efforts
to stop all these commercial
solar projects.
