Yes Robert. I have taken so many photos of Rancho Boulevard homes of their view of the potential Soitec Project but I can only send a few at a time, so I am sending additional photos which are part of my petition. So please consider the forthcoming photos (10) to be added to the petition. I can only send three at a time.

I'm adding two with this email.

First photo reflects the home and the second photo reflects their view looking east.

Thanks!

Paula,

Near the top of the second page of your petition, it states "Please find the attached photos for review showing the TRUE reflection of our community and homes." However, no photos were attached to your email with the petition. Were the three photos that were attached to your earlier email today the photos that are referenced in your petition? Please let me know.

Thanks,

I also sent you a petition with signatures specifically from the Rancho Boulevard Estates. I emailed it to you this morning. Did you receive it? I went door to door for signatures. I'll resend if not.
