Thank you, Ashley,

I have asked Boulevard Fire for use of their equipment bay to accommodate the potential for a larger crowd at our January 8th meeting.

See you all then, if not before.

Regards

Donna

Hi Donna,

Jim, Mindy and I are all available to attend the January 8<sup>th</sup> meeting. Jim would like to give a presentation on groundwater (20-30 minutes) and Mindy and I would be happy to answer any questions on the FEIR as well.

We will provide you with two hard copies of the FEIR as well as 10 cds as soon as they are available.

Thank you,

Ashley

Hello Ashley,

At last night's Boulevard Planning Group meeting, we formally voted to move our January meeting to the second Thursday, January 8th, to avoid a meeting on January 1st.

Please let me know if staff will be able to make a presentation on Soitec Solar's Final PEIR at that January 8th meeting, or if you need to schedule another date for that presentation.

I am also requesting at least two hard copies of the FEIR and 10 discs for distribution as soon as they are available.

Regards,

Donna Tisdale
