Subject: RE: Soitec soil binder info

Donna,

Here's a link to the MSDS sheet per your request:

Subject: Soitec soil binder info

Hello Jim,

During your January 8th Soitec Solar presentation to the Boulevard Planning Group, you made reference to Soitec providing you with the Material Data Safety Sheet (MDSS) for the soil binder they propose to use at their Boulevard projects.

Please forward a copy of that MDSS as soon as possible so that information can be reviewed and verified prior to the Planning Commission hearing.

Thank you

Donna Tisdale
