Subject: Soite-PVMWC form?

Hello Jim

I have searched the Soitec project Administrative Record but have not been able to track down the signed **Project Facility Availability Form - Water** from Pine Valley Mutual Water Company.

Please send a pdf version and a link to where it is posted.

Also, a reminder of my Jan 15th e-mail request to you to provide the construction water use numbers that Soitec provided from "recent project" that I assume is the Desert Green Solar project in Borrego Springs.

Thank you

Donna
