Hi Miriam, the recording of the Planning Commission hearing is available at the following link [http://www.sandiegocounty.gov/content/sdc/pds/PC/sop/PCHearing\\_stream.html](http://www.sandiegocounty.gov/content/sdc/pds/PC/sop/PCHearing_stream.html) scroll down to January 16, 2015 hearing. Double click on it, it may take a few minutes to load. The staff report and agenda are also available here. I was told that the entire audio is there but that there were times during the hearing where there were issues with the camera. The action sheet is not yet available, I will send it to you once it is finalized. It should be within the next day or so. The EIR documents are available at this link <http://sdcounty.ca.gov/content/sdc/pds/ceqa/Soitec-Solar-EIR.html>

I have cc'd the PDS staff working on the Soitec project so that you have additional contact information. Ashley Gungle is the Project Manager.

Feel free to contact any of us if you need further assistance or have any questions.
