Hi Donna,

We are working on getting the Revised Final EIR up as soon as possible. In the meantime, you can still access the Final EIR page at the following link:

<http://www.sandiegocounty.gov/content/sdc/pds/ceqa/Soitec-Solar-EIR.html>. More specifically, the appendix you are looking for is at:

http://www.sandiegocounty.gov/content/dam/sdc/pds/ceqa/Soitec-Documents/Final-EIR-Files/Appendix_3.1.7-1_Emergency%20Service%20Capabilities%20Assessment.pdf.

I expect that the Board Letter will be posted by the end of the week, but sometimes it can take until the following Monday. I'll keep an eye out and send you the link if I see it become available.

Thanks,

Ashley

Hi Donna, yeah the link is down because we are still uploading the revised EIR which will have a page that replaces the below link but then links to all the previous documents and sites. The Board Letter is going through final approvals through tomorrow. I think it will be posted by the end of this week – Ashley do you know?

HI Mindy

Do you have an idea when the Soitec documents will be posted for the Oct 14th hearing?

Also, this link appears to be dead. I would like to access the document: Can you help?
