

Valley Center Design Review Board

Approved Minutes: Feb. 23, 2013

DRB Members Present: Montgomery, Moore, Robertson

Montgomery opened the floor for public discussion, but there were no speakers

Minutes from Feb. 12 were approved as is.

This is a special meeting to replace our regular March 12th meeting in order to review and gather comments on the Accretive project by their deadline of 30 days.

We discussed the Accretive project re-submission of February 12, 2013. The group asked Lael to complete written comments based on our discussion, to distribute comments to the group for final approval and to send the final document to the County. The attached comments were approved for submittal to the county.

Attached are submitted copies.

Special meeting was adjourned by 2:15 pm.
