Subject: Lilac Hill Development

Mark,

As a Valley Center resident I adamantly oppose this development. We live here specifically because it's quiet and rural. This development goes against everything Valley Center stands for. Please cease this effort.

A Concerned Valley Center Resident.

I16-1 The comment expresses the opinions of the commentator. The comment will be included as part of the record and made available to the decision makers prior to a final decision on the proposed project. However, because the comment does not raise an environmental issue, no further response is required.
