RESPONSE

Letter I83

**From:** Storrie Hockenson [<mailto:clvrstorrie@gmail.com>]  
**Sent:** Friday, June 13, 2014 10:05 AM  
**To:** Slovick, Mark  
**Subject:** Lilac Hills Ranch

This letter is to oppose the Lilac Hills Ranch Project. We are located on Old Hwy 395, just north Cirlee R Drive. Major construction is going to cause a huge back-up and aggravation to this quiet area. Why build all these new homes in the area when so many projects have been left unfinished due to the state of our economy.

I83-1

Thank you,  
Storrie for CJ Wiliams

I83-1 The County acknowledges this comment and the opposition to the project. See subchapter 2.3 and Appendix E for details related to traffic impacts and required improvements. The comment does not raise an issue related to the adequacy of the environmental document. The comment will be included as part of the record and made available to the decision makers prior to a final decision on the proposed project.
