Subject: Lilac Hills Development

As a Valley Center resident I adamantly oppose this development. We live here specifically because it's quiet and rural. This development goes against everything Valley Center stands for. Please cease this effort.

Valley Center Resident,
Carla Allen

L1-1

L1-1 The County acknowledges this comment and the opposition to the project. The comment will be included as part of the record and made available to the decision makers prior to a final decision on the proposed project.
