**Subject:** Opposed

As a Valley Center resident I adamantly oppose this development. We live here specifically because it's quiet and rural. This development goes against everything Valley Center stands for. Please cease this effort. } L4-1

Valley Center Resident,

L4-1 The County acknowledges this comment and the opposition to the project. The comment will be included as part of the record and made available to the decision makers prior to a final decision on the proposed project.
