Dear Commissioner Woods,
We are neighbors of Lilac Hills Ranch. We have lived in Valley Center off West Lilac for ten years now. Our address is [9153 West Lilac Road](#).
My four children attend Sullivan Middle School in Bonsall. They are excited about the parks, ball fields, and trails that are planned in this walkable community. My husband and I can't wait for the café, grocery, farmers market and other neighborhood conveniences this area desperately needs.
Lilac Hills Ranch will improve our way of life and our sense of community. I hope you will provide your full support and vote for Lilac Hills Ranch.
Sincerely,
The Orozco family
