Dear Chairman Woods:

I am writing to request that the County Planning Commission approve Lilac Hills Ranch. I have near this property my entire life, and I would like to live in a well planned community like this project when I graduate from college in two years.

I believe that this community will be a great asset to our local community and will be the kind of neighborhood where I would like to raise my own family.

As the next generation of homebuyer, I look forward to Lilac Hills Ranch's green, water neutral, high tech community with walking trails and community parks.

Sincerely,

Alexa Vilelli,
