

Lilac Hills Ranch

Planning commission Secretary
Lisa Fitzpatrick

I support the development of the Lilac Hills Ranch. It will be a great addition to the northern San Diego community. The planned development will add the needed housing for the continually growing community, while keeping to the natural feel of Valley Center and the surrounding area. With its economically sensitive approach it will set a new tone for future developments. As someone in the water industry it is finally nice to see a planned community that has water conservation as a forefront in its planning.

Thank You,
