---

I am writing to voice my support of the proposed project. I cannot attend the hearing on August 7 due to prior commitments. I have owned and lived at 30818 Rodriguez Rd adjacent to the proposed development since 1999. We were expecting the land immediately east of us to be developed before now as it has been subdivided since we have been here. Since we have heard about this project we have been excited about the prospect of having a walkable pleasant community so close. As it is now we have to travel at least a half hour just for groceries or a café. We also believe this is a responsible growth project since it is so close the I15 freeway. We have also noted with approval the green design elements proposed. We urge you to give your approval to this project.

Thank you,

Ron Blair
