Dear chairman Woods,

I write to you on behalf of my self, a sullvan middle school student, resident of Bonsall and Business owner, CCB Animal Care, to tell you that this project is awesome and Beautiful. Have you seen this project? It is AWESOME, so please vote in favor!! Where do I start!?!? Well this project has been worked on really hard and has some really good Ideas, for example Really close to sullvan it is less than It's two miles from there, It's a safe place to live because it is 10 minute drive from 3 fire stations and all roads meet the fire District standards, Lilac hills Ranch would help withe the education of Bonsall Elementary and of valley center, and the best of all there is an Equestrian staging Area, I mean come on!! Can this get any better?? Well it has 100% much more!! I am a Pony club(D-3)

educated, swimmer (in the highest level), my goal is to be in the penthlation Olympic reprisenting USA and I and dedicated.... Also, if you don't vote yes?.... you will crush my dreams because just seeing the project and reading about it makes me wannt to live there with my future family because it sounds Safe, Fun and if looks beautiful!!!!

This is a no brainer Please vote {YES!} for Lilac Hills Ranch, my future home! (and if you do I'll invite you for Ice scream at my new home!)
