Bryan Woods, Chairman  
San Diego Planning Commission

Chairman Woods;

As eleven year Valley Center residents, we have watched the Lilac Hills Ranch project progress. We have had the pleasure of working with the Lilac Hills ranch President, Jon Rilling, to form the Valley Center Fire Safe Council in 2009. We have watched Lilac Hills Ranch work with the community for the past ten years, through non-profit work, community volunteering and sponsorships. In addition, the developers worked with the community through open house meetings and neighborhood workshops to incorporate many requests from the local community into the current design for Lilac Hills Ranch. The Accredited Team should be praised for this effort. If more developers approached community planning this way, we would have less traffic problems and more beautiful communities like San Elijo Hills and Lilac Hills Ranch. Please approve Lilac Hills Ranch.

Thank you,  
Basil and Carol Curcio
