Dear Chairman Woods:

I am writing to request that the County Planning Commission approve Lilac Hills Ranch. As a 23 year old employee at Apple, I am very interested in living in a community like Lilac Hills Ranch, where technology is part of the planning process, not an afterthought.

I have lived near this property my entire life, and I would like to live in a well planned community like this neighborhood with my own family in the near future.

As the next generation of homebuyer, I look forward to Lilac Hills Ranch's green, water neutral, high tech community with walking trails and community parks.

Sincerely,

Christopher Vilelli,
Apple Employee
