5510 Overland Avenue, Suite 110
San Diego, CA 92123

Dear Chairman Woods,

I am grateful for the opportunity to write this letter of support for Lilac Hills Ranch. The establishment of a sustainable community and rustic Town Center along North County's I-15 corridor will have a significant positive impact for our region.

Lilac Hills Ranch has already proven to be a welcomed partner to the Moonlight Cultural Foundation and a committed supporter of the community. The project has helped our foundation fund arts education programs for both youth and adults, and inspire public engagement in the artistic process. We hope that the new tax revenues generated as a direct result of this project will be used by local schools to improve their arts programs and usher in a new wave of interest in arts education.

Please contact me if I can assist you in your review of Lilac Hills Ranch, or answer any further questions pertaining to this project.

Sincerely,

Diane Hendricks
Moonlight Cultural Foundation
