Subject: Lilac Hills Ranch
Date: Friday, July 31, 2015 10:09:57 AM

I am a neighbor of the proposed Lilac hills ranch and would like to voice my support for this project. It will bring retail shopping, hiking trails and desperately needed housing for young people in North San Diego County, who until now have been forced to move to Temecula in Riverside County for affordable housing..

Thank you for your consideration
