San Diego County Planning Commission
5510 Overland Ave. Ste 110
San Diego, CA 92123

Dear Chairman Woods,

I would like to express my support for the Lilac Hills Ranch. As a Fallbrook resident of 30 years, the chairman of the Fallbrook Avocado Festival 18 times, a Rotarian for the last 29 years. I believe in the projects that contribute to the community, Lilac Hills Ranch being one of them.

The men and women working for Lilac Hills Ranch has shown their commitment to the local community by welcoming residents to participate in the planning works through workshops, direct mailings, and personal meetings. They have been able to come up with a concept that will benefit the entire region. Lilac Hills Ranch will provide the necessities to keep our county in a favorable place to live, through fire protection, road improvements, jobs, schools, sales tax revenues, and property tax revenue. This is all favorable for San Diego County to continue on the prosperity it has so accomplished for so many years.

Please approve on August 7th the proposal Lilac Hills Ranch has submitted to the San Diego County Planning Commission. I support this project and hope you see it as a benefit to the county and the region.

Regards,

George Archibald
