Dear Chairman Woods:

On behalf of myself and my business, POSH- Making Forgotten Furniture... Unforgettable, I am writing to request that the County Planning Commission approve Lilac Hills Ranch. As a local Fallbrook business owner and resident of 23 years, I believe that this community will be a great asset to our local economy.

I have two college aged children who would like to settle in North County when they finish college. Lilac Hills Ranch is just the kind of community that they hope to live in when they buy their first homes.

Lilac Hills Ranch will be a green, water neutral, high tech community with walking trails and community parks that will benefit both existing families and future generations in our local area. In addition to giving small businesses the opportunity to serve new customers and expand, it will add value to our existing community.

Thank you for your consideration.

Julie Vilelli, Owner
