Subject: No On Ammending the General Plan for Valley Center

The General Plan was done with the citizen input of Valley Center residents. There was much discussion and meetings and several developers were involved at the time who had worked with the VC Planning Group. Now Lilac Hills Ranch wants to get an amendment to the plan and move ahead of other planned projects. Much time and money was spent on the current plan. I object strongly to any change or amendment. Vote NO August 8th. Karen Burstein homeowner and former DVPUSD Trustee.
