Jon Rilling and Lilac Hills Ranch have been long time supporters of the sport of Lacrosse in Valley Center. Their financial support was key in getting the High School to allow boys Lacrosse as part of their curriculum. In addition, it is our understanding that the Lilac Hills Ranch project will allow for public use fields which can be used by Junior and High School Lacrosse programs. These fields are desperately needed and would be a boost to help Lacrosse continue in Valley Center for our boys and girls.

Rich Russell
Former President of Valley Center Lacrosse Foundation
