Ms. Fitzpatrick

My name is Morgan Brown.

I live right near the proposed Lilac Hills Ranch site at 29619 Gracilior Dr.

I lived in Valley Center for 12 years and still conduct business in and around the Immediate area.

The Lilac Hills Project will do nothing but improve the area in my opinion.

The infrastructure in that area needs improving to begin with.

If I were to pick any area in the county that would be benefited by a new community; it would be that area of Valley Center.

Thanks

Morgan Brown
