**Subject:** Vote of Approval Lilac Hills Ranch  
**Date:** Thursday, July 30, 2015 9:32:20 PM

---

Dear Ms. Fitzpatrick,

Please accept this email letter of support for the Lilac Hills Ranch development.

I have been a resident of Valley Center for over thirteen years. During that time, I have served as President of the Valley Center Lacrosse Foundation from 2004 until 2013, was Valley Center Volunteer of the Year in 2004, have coached numerous Valley Center boys' and girls' middle school through high school lacrosse teams from 2004 through 2014, and have been very active in the community. I love the small town atmosphere, the openness of the area, and the community pride of Valley Center. With this local background and experience, I give my enthusiastic recommendation for approval of the Lilac Hills Ranch. I believe Lilac Hills Ranch will be a welcome addition to our Valley Center community.

Over the past numerous years, I have had the pleasure of attending several of the Lilac Hills Ranch open houses in which the public and community have been invited to see and hear the plans for Lilac Hills Ranch and ask questions of the developer. The development staff have gone out of their way to present the vision and plans for Lilac Hills Ranch and solicit community input on those plans. In response, they have made a sincere effort to address the community input and answer all questions.

Of particular interest to me as a youth athletics coach is the sports fields included in the Lilac Hills Ranch site plans. These sports fields will be available to all Valley Center residents and will provide a much needed supplement to the few existing sports fields in Valley Center. The sports fields, as well as other amenities such as running and hiking trails, community and retail centers, and other facilities, will be of immense benefit and pride to the community inside Lilac Hills Ranch as well as Valley Center as a whole.

Please look favorably on the request for approval of the Lilac Hills Ranch. You may contact me for additional information or input.

Sincerely,

Morgan Rogers  
Resident, Valley Center 2002-Present
