Dear Supervisors,

I am pleased to write to you and state my opinion on the Lilac Hill Ranch project.

I have lived and worked in Valley Center since 1980. I love the community we live in, even though it has definitely changed a lot since my husband and I moved here. Used to be when we went to a restaurant, it would be a rare occurrence to see someone we did not know. Now it is more likely to see more who we do not know than the opposite. Change is inevitable.

There is a special feeling about Valley Center and I want to live here as long as I can. One of the problems we have is the lack of smaller parcels and homes that are easily maintained by elderly couples. My husband is fortunate enough to be retired on a pension. I have another 8 years to work before social security kicks in fully. We have talked a lot about being able to move to a community like Lilac Hills. We understand there are plans for senior living which seems like a great solution. I cannot imagine leaving here to find a better locale. I definitely don't want to live in Escondido or Temecula. And I do not want to move out of state. At his time they seem to be the only alternatives.

I believe the whole community concept is what we need. As we age, conveniences will become an important part of being able to maintain our safety. Lilac Hill Ranch seems like a place all ages can live. I fully support the project being approved.

Thank you,

Nicky Lovejoy
