Dear Chairman Woods,

I write to you on behalf of Wells Fargo Mortgage to express support for Lilac Hills Ranch. I believe Valley Center is in need of a community that will provide amenities for the community. Based on what I am reading on the web site it will also help sustain growth for local businesses and this will insure that our economy will continue to grow in Valley Center.

Lilac hills Ranch is well planned and a sustainable community that will be an asset to surrounding communities. Any project that will bring amenities to Valley Center and allow individual homeowners to see the benefits of this small community will be a tremendous value to our little area. This community should be supported by the planning commission.
