San Diego County Planning Commission
5510 Overland Avenue, Suite 110
San Diego, CA 92123

Dear Commissioners,

I would like to vote for the approval of Lilac Hills project I have lived in Valley Center all of my life and I am raising my 2 boys here and would like to continue to do so. I do not anticipate any change in downtown Valley Center in any way since it is out by the 15 fwy. I have reviewed the facts on the roads and feel that they have diligently positioned the development to have a positive impact on North County San Diego
