## Passport to Life

The Passport to Life Career and Education Expo is aimed at youth ages 14 to 24 who are on probation or have been on probation in San Diego County. The event offers user-friendly information about the resources and opportunities available to participants as they transition from being a youth on probation into adulthood with adult responsibilities. The goal is to provide ideas, tools, motivation, encouragement, and hope for their future. It is based on the premise that all youth, including adjudicated youth with probation histories, have the ability to succeed if given the right training, support, and opportunities.

### Opportunities will include:

- Inspirational Opening Session
- Workshops on Career and Educational Options
- Resource Fair
