Subject: Rugged Solar 3300 12-007 (MUP); Determine Appropriate Review (DAR)
Expires: Thursday, July 28, 2022 12:00 AM

Team:

The applicant resubmitted their technical studies and other information related to the Rugged Solar Project 3300 12-007 (MUP) last Tuesday. Please let me know if you do not have information needed to complete your review **or** if you will not be able to complete you review by the KIVA dates identified below.

All of you should have received an updated Project Description and a Project Issue Response Letter. For your convenience, I've attached a link to these documents, as well as the Plot Plan and RPO Study. As always, thanks for your help.

As always, please let me know if you have any questions.
