Here is Soitec's latest schedule. Looks like less than 8 months to get a draft Final PEIR including public review, responses to comments, and I-119 review. Also need to have a website for the administrative record up and running upon release of the Draft PEIR for public review.

Thanks,
Rob

Thanks, Robert. Here's the latest project schedule we received from Dudek. I'm cc:ing Asha in case there has been an update in the interim.

Best regards,
