Rob and Ashley,

I just wanted to follow up with both of you on the submittal for Tuesday. We are on track for a 10:00 am submittal at the Zoning counter. We are bringing in the first Screencheck of the PEIR, Rugged Solar, and TDS Solar. Overall, it's about 100 individual documents. I just wanted to give you a heads up on our account status and proposed usage of funds.

Rugged 12-D-11-0159228-0313 Balance: \$22,523

TDS 12-D-11-0162790-0313 Balance: \$47,350

Soitec Solar Development (EIR) Balance: \$53,371

My request is that you remind the project specialist to utilize the specific project deposit account on the project submittal and the EIR deposit account on the EIR review only. I know you already know this, but I wanted to send a friendly reminder. If we start getting below a \$10,000 balance, please let me know, so I can replenish it.

Thanks,
