Please continue to charge the TDS account (3600-12-005) as no deposit has yet been made to the EIR account. I have asked Pat for the status of the deposit.

Thanks,  
Rob

**Importance:** High

All,  
The deposit account for the EIR project number (3910 120005) is rapidly approaching a zero balance. Please charge the Tierra Del Sol project account (3600 12-005) from now through next week when a deposit is expected for the EIR account.

Thanks,  
Rob

Rob,

If we start to run low, they can use the Rugged Solar account that has \$6,000 and the Tierra del Sol account that has \$27,000.
