Correction on the end date of public review – I just realized 2/16 is a Sunday. Can you please revise to say “January 2<sup>nd</sup> through February 17<sup>th</sup>”?

Hi Donna,

We've been discussing it and we think it would be good for staff to be at the Jan 2<sup>nd</sup> meeting to introduce the EIR – explain the projects that are analyzed and the studies that are attached. Then we can return during the Feb 6<sup>th</sup> meeting to answer more specific questions once people have reviewed some of the documents. I was also going to see if the applicant would want to be at the Jan 2<sup>nd</sup> meeting. Do you have a preference for when the applicant/consultants should attend?

Here's my proposed description for Jan 2<sup>nd</sup>:

**Soitec Solar Projects -- Record ID: PDS2012-3910-120005**

The draft EIR for the Soitec Solar projects will be available for public review and comment January 2<sup>nd</sup> through February 16<sup>th</sup>. The Soitec Solar Development EIR includes two projects (Rugged Solar and Tierra Del Sol Solar) which have been evaluated at the project level and two projects that have been evaluated at a program level (LanWest and LanEast). County staff will be available to introduce the draft EIR and explain its components. All documents available for review can be accessed via this link: [http://www.sdcounty.ca.gov/pds/ceqa\\_public\\_review.html](http://www.sdcounty.ca.gov/pds/ceqa_public_review.html).

Let me know if you think the agenda item needs more description.
