Thank you Donna.

Could you please re-send the geology chapter? It was not attached to the prior e-mail.

Also, for the AQ and Noise sections, should we assume there are no comments on the tech studies, or will those comments be coming separately?

Thanks,  
Megan

Megan –

Attached documents contain revisions and comments. Please accept revisions and address comments. Please note that Geology (3.1.2) requires not revisions.

Thanks,
