

McClellan-Palomar Airport Master Plan Update

Join Us for
a Public
Workshop!

WEDNESDAY, May 7, 2014

6:00 p.m. – 8:00 p.m.

City of Carlsbad Faraday Center

1635 Faraday Avenue • Carlsbad, CA 92008

Second Workshop to Focus on Development Alternatives

During the workshop, the airport project team will share potential development concepts based on planning activity levels. The project team will present:

- An overview of airport capacity and facility requirements
- Facility concepts based on potential demand

The project team welcomes your input and comments at the workshop.
