February 21, 2014

Dear Community Partners,

Since 1998, Board of Supervisors Chairwoman Dianne Jacob has hosted a biennial "Aging Summit," coordinated by Aging & Independence Services (AIS), with the goal of bringing forward relevant and timely topics in the field of aging. This year, she is joined by Supervisor Greg Cox, another champion for the needs of older adults and persons with disabilities.

Aging Summit 2014 will focus on safety, one of the three components of our Live Well San Diego initiative (health, safety and thriving). The Summit will provide valuable information for family caregivers, particularly those dealing with the challenges of caring for someone with Alzheimer's disease or another form of dementia. The title for the day is "Creating a Safe and Caring Community."

The County of San Diego's Health & Human Services Agency (HHS) and AIS are excited to announce that this year's Aging Summit will be held on Thursday, June 12, from 8:30 to 2:30 at the Town & Country Convention Center. There will be a companion site (keynote speakers will be webcast) at the California Center for the Arts in Escondido. As with previous summits, the agenda will feature interesting speakers, breakout sessions, resources and plenty of opportunity for participants to meet our local exhibitors.

Please join us for this special day and contribute to our efforts by sponsoring Aging Summit 2014 and/or participating as an exhibitor. The sponsorship/exhibitor package outlines sponsorship levels and associated benefits, as well as exhibitor opportunities. Your support will help create a successful event that will educate and enrich the lives of all those attending the summit.

If you have any questions, or would like to discuss aspects of this event, contact Chris Boyer at (858) 514-4652, or you can view the event website at [www.aisevents.org](http://www.aisevents.org)

Thank you for your time and consideration.

Sincerely,

ELLEN SCHMEDING, Director  
Aging & Independence Services

ES/dn
