# How Fast Are Patients Returning to the Hospital?

The ASAT data file representing April 2012 to March 2013 was used for the analyses in this report. The ASAT data file is provided to HSAG of California, Inc. by CMS. The ASAT data file includes Part-A claims for FFS beneficiaries.

# *Continuing Education (CE) Credits*

- Paper evaluations are on each table for you to complete throughout the event.
- **If you are not requesting CE credit, please leave your evaluation at the registration table.**
- For CE credit, please visit the Survey Monkey link and fill out the online evaluation.
- CE credit will not be given if the online evaluation is not completed.

We convene providers, practitioners, and patients to build and share knowledge, spread best practices, and achieve rapid, wide-scale improvements in patient care; increases in population health; and decreases in healthcare costs for all Americans.
