3. Provide a brief summary of the DMC HFP transition progress for the reporting period. Include information about referral process and access issues.

Our process for the Health Plans to make direct referrals to the County's Administrative Services Organization (ASO) continued. To date, limited referrals have been made and no access issues have been identified.

4. Is the County experiencing any barriers or problems with the HFP transition? If so, please describe the barriers or problems and how the County is resolving them.

N/A

5. Has the County identified best practices associated with the HFP transition or other processes that are working well? If so, please describe the best practices or processes.

- Providing just in time feedback to HPs with any questions regarding referrals.
- Conducting joint ASO & HP case reviews, as needed, to ensure the most appropriate transition plan.

6. If you have additional comments related to the HFP transition that you wish to share, please provide them below.

No additional comments at this time.
