Patient Handbook

County Medical Services

The County of San Diego Health and Human Services Agency operates the County Medical Services (CMS) Program and AmeriChoice manages the day-to-day business. CMS assists uninsured adult County residents obtain medical care. CMS uses a network of community health centers, private physicians and local hospitals in providing services.

CMS is not a health insurance; it is a program of last resort for eligible adults, and covers only necessary medical services.

CMS covers the cost of your immediate and on-going medical care. Conditions such as pregnancy, routine physicals, and mental health are never covered by CMS; and some services may have only limited coverage.

The County reserves the right to impose a lien against your property for services covered by CMS. The County further reserves the right to require a Reimbursement Agreement be signed by you as a condition of eligibility. The Reimbursement Agreement permits the County to bill you directly for repayment of CMS services that you were provided.

This handbook tells you where and how to receive CMS medical services, and also the type of medical care available.

Eligibility

Whether you have an unexpected health problem like an infection, an accident, or a long term medical problem like diabetes or high blood pressure, CMS may cover medical expenses for you if you qualify. CMS does not cover bills for services received before the date of your CMS application. You must schedule an interview, complete an application, and be approved CMS to be covered. Call (800) 587-8118 to make your application appointment. Eligibility locations are listed on page 12.

If you qualify for CMS you:
- Will be initially certified for up to six months
- Will be asked to choose one of the community health centers as your primary care provider
- Will receive a CMS card and a Notice of Action. When you receive any medical service, you must show your card or your Notice of Action to the medical provider

Share of Cost
Share of Cost is the amount that you must pay or be obligated to pay toward the cost of CMS covered health care services. In any month that you receive CMS services, you will be billed by the County for your share of cost or the amount of CMS services, whichever is less. You will not be billed for months when you did not receive CMS services.

When Your Card Expires
If you have an ongoing medical/dental need and will require CMS coverage past your certification period, you will need to attend an interview to be evaluated for ongoing CMS. To request an appointment for the interview, you must: Call 1-800-587-8118 at least 30 days before your certification period ends to schedule your next appointment.

If you have certain chronic health condition(s) covered by CMS, your eligibility period may be renewed for up to 12 months.

If you are admitted to the hospital through the emergency room and your CMS card has expired, the hospital may arrange for you to complete an application while you are in the hospital.
Each time you apply for CMS you will be asked to provide:

- Proof of identity
- Proof of county residence
- Proof of immigration status, if applicable
- Proof of your current income and resources

If you are found to be eligible, CMS will be approved starting with your month of application. If you received care between the date of your application and the date your application is approved, CMS will only pay for CMS covered services that have not been paid for. Information about CMS covered services begins on page 2 of this handbook.

**What to Do When You Have Been Injured By another Person**

If another person causes your injury, that person may be responsible for paying for your medical care. CMS has the right to seek repayment from that person. You must report to CMS whenever you have been injured in an accident, including on-the-job injury. You must call the Third Party Liability section of CMS at (888) 553-5552 to report the accident.

**Selecting a Primary Care Provider**

After your eligibility has been approved, you will be asked to select one of the community health centers as your primary care provider. The primary care provider you selected will be listed on the front of your CMS card.

Your primary care provider will coordinates your medical care, as appropriate, either by providing treatment or by sending a Treatment Authorization Request (TAR) to CMS for treatment that needs to be approved by CMS in advance.

**Changing Your Primary Care Provider**

You may change your primary care provider if:

- You have moved to a new area in the county;
- You need medical care that cannot be provided by your current primary care provider; or
- There are differences between you and your primary care provider that cannot be resolved through the complaint process.

Call CMS Patient Information at **(800) 587-8118** to request a change, and tell the representative why you want to change. You are an important partner in your medical care, and you can help doctors and nurses in providing you with the best care possible.
Your Rights and Responsibilities

Under CMS You Have The Right To:

- Get good medical information so you can make decisions about your health care and treatments
- Request or refuse medical treatment
- Receive considerate, respectful care at all times
- Choose your medical provider within the limits of the program
- Talk to CMS staff that can help you with your questions, problems and complaints
- Appeal if you are not satisfied with a program decision (see page 10 for instructions)
- Expect that the information in your medical record and what you say to your doctor will not be released without your permission, except as required or allowed by law
- Request a second opinion if you do not agree with the medical care or the treatment plan prescribed for you by your medical care provider

Under CMS You Are Responsible For:

- Calling your primary care provider for medical advice FIRST, except in an emergency
- Arriving on time for your scheduled appointments
- Letting your medical care providers know if you do not understand your treatment plan or what is expected of you, if you agree to the treatment recommendations; following your medical care providers' instructions
- Giving accurate and complete information about your present condition and past illnesses to your medical care providers
- Treating providers and CMS staff with respect and dignity

- Reporting any accident or injury caused by another person
- Repaying CMS from third party recovery, including lawsuits
- Paying or obligating Share of Cost payments, if applicable
How to Receive CMS Services

When you become eligible for CMS, be sure to follow these instructions so your medical care will be covered:

**Dental Services**
CMS covers dental care ONLY at a CMS dental clinic. This includes emergency dental needs as well. When you need emergency dental care, call the CMS dental clinic in your area and schedule an appointment. CMS does not provide complete dental care such as routine check-ups, preventive care or prophylaxis cleaning. All non-emergency services must be approved by CMS before they are provided. In addition, other dental services (e.g. endodontics and dental prosthesis) must be medically necessary and require prior authorization. See page 13 for locations.

**Emergency Room Services**
Emergency room services are ONLY covered if the medical problem requires immediate attention. An emergency is a medical problem that:

- Happens suddenly and has very serious symptoms
- Could cause serious injury or damage to your body if you do not see a doctor right away

Some of these medical problems are:
- Broken bones
- Severe pain
- Chest pain
- Severe burns
- Breathing problems
- Poisoning

Emergency room visits for psychological diagnoses or mental health conditions are not covered by CMS.

**Inpatient Services**
CMS covers all of the cost of inpatient services if:

- You are admitted for a covered condition;
- You are admitted because of an emergency; or
- Your doctor obtains authorization before you are admitted to the hospital.

If you are admitted through the emergency room, show your CMS card to the hospital admitting staff.

**Out-of-County Services**
CMS pays for medical care only when it is provided in San Diego County. If you are admitted to a hospital while in another county or state, identify yourself as a San Diego County CMS patient and ask the hospital staff to call CMS at (800) 587-8118 to arrange for your follow-up care in San Diego County.
Outpatient Services
Except for emergencies, always contact your primary care provider for your care. The community health center you selected is your primary care provider. Your primary care provider will provide or make arrangements for all the care that you need.

Pharmacy Services
CMS provides covered prescription medicine listed in the CMS Formulary, which can be found at:
http://www.sdcounty.ca.gov/hhsa/programs/ssp/county_medical_services/index.html

All prescriptions funded by CMS must be approved by the Food & Drug Administration (FDA).

If your physician prescribes a medicine that is not covered by CMS, the pharmacist or your physician must request authorization from CMS before filling your prescription. If CMS does not authorize the medicine, you may choose to pay for it yourself.

All prescriptions must be filled by a pharmacy serving CMS (listed on pages 19-29) or by your primary care provider. Your provider will need to verify that you are eligible for CMS through the CMS Provider On-Line Verification website (www.sdcms pov.com). If your eligibility cannot be verified, you may be asked to pay for your prescription.

If you fill your prescription at a pharmacy that does not serve CMS or you fill a prescription for medicine that CMS did not authorize, you are responsible for paying for the medicine yourself. CMS will not reimburse you.

Specialty Physician Referrals
Medical care that cannot be provided by your primary care provider must be approved in advance by CMS medical staff. Your primary care provider will tell you if the service has been approved and may help you to make your appointment with the specialist before the approval expires. If the service is not approved, you will receive a written denial from CMS.
CMS ONLY provides physical health care services, and the County of San Diego Health and Human Services Agency provides treatment for alcohol, drug, and mental health problems. For more information, please call:

**Medi-Cal Program**

Medi-Cal is California’s primary medical coverage program for low income people. If you have been disabled or expect to be disabled for more than 1 year, you are required to apply for Medi-Cal coverage.

CMS staff can help you go through the Medi-Cal application process. Ask your CMS worker about a referral to Medi-Cal or call ACCESS toll free within San Diego County at (866) 262-9881 and ask for a Medi-Cal application. You can also call 211 to start your Medi-Cal application.

- Have a question
- Have a problem with the program or provider
- Can't get an appointment
- Were denied a medical service and you disagree with the denial

Call the CMS Patient Service Line at (800) 587-8118 Monday through Friday between 8:00 a.m. and 5:00 p.m. The CMS Patient Services Representative can assist with your questions, and tell you what you need to do next.

If you need more help, the Consumer Center for Health Education and Advocacy known as “The Consumer Center” can also assist you. The Consumer Center offers health education and patient advocacy to CMS and Medi-Cal patients. They can help you resolve problems in qualifying for eligibility as well as problems in getting appropriate medical treatment. Their toll free number is (877) 734-3258.

What to Do When Providers Bill You

Do NOT ignore bills that you receive from health care providers for services that have been approved by CMS. Do NOT send your bills to CMS. Instead, call the provider who billed you, explain that you are eligible for CMS, and give the provider your Member ID number printed on the front of your CMS card. Your provider can verify your eligibility through the CMS Provider On-Line Verification website (www.sdcmspov.com) using your Member ID number. If the provider has additional questions, ask them to call CMS at (800) 587-8118. If you fail to notify your provider that you have CMS, you will be responsible for payment of the provider’s bill.

CMS does not guarantee payment of all medical services. CMS guidelines and requirements must be met in order for payment to occur. You will be notified if payment for your medical bill is denied.
Eligibility Appeals

1. If you disagree with the eligibility determination of CMS, you have the right to appeal the decision by filing a County Administrative Hearing.

2. You must file your appeal within fourteen (14) calendar days of the date of the Notice of Action by writing to or calling:

   San Diego County Health and Human Services Agency
   Appeals Section - GR/CMS Calendar Clerk
   1255 Imperial Avenue, Suite 300
   San Diego, CA 92101
   Phone: (619) 237-8534

3. If you are dissatisfied with the County Hearing Officer’s decision, you may file an appeal with the San Diego County Superior Court.

   Requests submitted after 14 calendar days shall only be considered if you present good cause for missing the deadline.

Treatment Authorization Request (TAR)
Denial Process

TAR Administrative Denial
When your primary care provider or specialist submits a Treatment Authorization Request (TAR) to CMS, it must be reviewed and program guidelines must be met in order to be approved. However, there are instances when a request is denied. Administrative Denials are issued when the TAR was submitted without ANY medical documentation to support the specific request. The health care provider must submit the required medical documentation in order to reconsider the TAR.

TAR Medical Reconsideration and Appeal
If you have been denied a medical service, always talk with your primary care provider or the specialist about other treatments available to you. If you still have concerns that are not resolved after speaking with your provider, you may call the CMS Customer Services staff and have the denial reconsidered.

1. Reconsideration Process: You must send a signed statement asking for a reconsideration within 30 calendar days of the date of the service denial notice to:

   CMS Customer Service Supervisor
   P.O. Box 939016
   San Diego, CA  92193

If your letter is sent after 30 days, please explain the reason in your letter for being late. CMS will review and send the decision to you by certified mail within 45 calendar days of receiving your statement.

2. Appeal Process: If you are not satisfied with the Reconsideration decision, you may request an appeal. Send your written appeal within 30 calendar days of the date of the reconsideration decision notice to:

   CMS Customer Service Supervisor
   ATTN: Medical Appeal
   P.O. Box 939016
   San Diego, CA  92193

You have certain rights in an appeal. The Customer Service Supervisor will explain your rights and tell you what steps you need to follow. You and/or your representative may present your reason for appeal to the independent panel who hears your case. CMS will send you a written decision by certified mail within 20 County business days after your hearing. The appeal is the final step.
