

INSECT DETECTION SPECIALIST HIRING HALL

The County of San Diego's Department of Agriculture, Weights & Measures (AWM) is conducting a **One-Stop Hiring Hall**. Upon passing the exam, we will take you through the interview and fingerprinting process in just a few hours, with everything conducted at the County Operations Center in Kearny Mesa. Before you leave that day, you will know whether or not you may have a job with our department, pending passage of the exam, interview, background check, and reference check.

HERE IS AN OVERVIEW OF THE DAY

- 8:00-9:00am Written exam (1 hour) - Exact location will be included on exam notice
- 9:00-10:00am You will see *the IDS Road Show*, with an opportunity for questions and answers pending the results of the exam

Candidates with the top scores will move on to the interview process!

If you are not in this group, thank you for coming out today!

Possible headquarter locations:

- Vista
- Chula Vista
- San Diego

Sign-Up for Your Interview

We will have 5 interviews going on at a time, with 5 time slots each. If you are one of the top candidates, you will be instructed on how to sign up for your interview.

While You Wait 9335 Hazard Way

If you go off campus to get something to eat before your interview, **check in 15 minutes before your interview**. Timing will be tight and **if you miss your interview appointment, there will be no make-up opportunity**. Please read over the job description before your interview. You will be waiting here for your turn to interview; coffee and water will be provided.
