

Billy has worked in the comic industry since 1966. Credits include *Heavy Metal Magazine*, the *Sci-Fi Channel's The Chronicle* and *The Family Guy* trading cards for Inkworks. 2006 marked the 10 year anniversary for his title *Wildflower*. His latest series, *Kickass Girl*, received critical acclaim and was collected into graphic novel form. Also in 2004, Billy began a line of paintings for galleries and live art shows, and in 2006 released a compilation of his work titled *Girls*. The book has become one of the best selling titles of Neko Press. Billy does live art shows and teaches in his studio in La Mesa.
