Older Americans Month Program: Dance, Comedy and Song with the Rhinestone Grannies. Music from Broadway, Hollywood and Vegas! When one thinks of live entertainment, young dancers and musicians come to mind. However, the Rhinestone Grannies are defying that mold....They are a group of seven ladies, led by dance instructor and creator, Adrienne Hart, ranging in age from 65-81 who perform one-hour variety shows all over San Diego County.

### Older Americans Month: Meet the Legend - Murray Lee

Older Americans Month: Meet the Legend - Murray Lee. Lee is a World War II veteran, a historian, an author, and a curator. Through his work at the San Diego Chinese Historical Museum, his book, In Search of Gold Mountain: A History of the Chinese in San Diego, and his leadership, Murray strives to inform the community about local history and the struggles inflicted through discrimination, as experienced by Chinese immigrants in California. Today, Murray remains engaged and to that end, gives tours of the former Chinatown neighborhood and shares details of exclusion and prejudice in hopes of inspiring new generations to be more inclusive. He has also worked with the City of San Diego to honor the Chinese, Filipino, and Japanese people who made downtown their home. Murray's commitment and scholarship are representative of the value of cultural competency.
