

INDIAN GAMING LOCAL COMMUNITY BENEFIT COMMITTEE

Application For FY 2004-2005 Grant

Pursuant to SB 621, for a project to be selected for funding, the Tribe from whose account the project would be funded must sponsor the project. To sponsor a project, the Tribe is required to confirm that the grant application has a reasonable relationship to a casino impact and find that it satisfies at least one of the priorities listed in Section E of the Application Form.

It is anticipated that the Indian Gaming Local Community Benefit Committee will select the projects to be funded at the end of May 2004 and State Controller's Office will allocate the money to grant recipients by June 30, 2004.

Please note that this year, the only grant requests that will be considered will be for projects that can be initiated soon after funding is allocated. Additionally, due to the uncertainty of subsequent year funding, only grant requests that do not rely on multiple-year funding, will be considered.

If you have any questions, please contact Mr. Joseph DeStefano, County of San Diego, at (858) 694-3692.
