WILDCAT CANYON ROAD RUBBERIZED ASPHALT – FROM SAN VICENTE ROAD TO ½ MILE SOUTH OF PAINTED ROCK ROAD

Section F.

- 1) Project Description: Place approximately 3.0 inch application of Rubberized Asphalt Concrete (R.A.C.) overlay on Wildcat Canyon Road from 1.4 miles south of San Vicente Road to, approximately ½ mile south of Painted Rock Road (estimated 2.5 miles). Centerline rumble strips will also be installed to the extent feasible.
- 2) Relationship between the project and impacts from casino: Traffic volumes and the number of collisions on Wildcat Canyon Road have substantially increased since the opening of the Barona Resort and Casino. During the five year period between January 1, 2006 and December 31, 2010, there were a total of **78** collisions on the section of Wildcat Canyon Road between San Vicente Road and the point approximately 0.5 miles south of Painted Rock Road.

The paving of this portion of Wildcat Canyon Road serves the Barona Indian Reservation, the Communities of Ramona and Lakeside, and residents in this rural area. The Barona Casino is a major attractor of motorists on the roadway, creating additional traffic noise and wear and tear on the pavement structure. The Casino also attracts a large number of patrons at night who may become fatigued and/or disoriented at night. These motorists will especially benefit from the provision of centerline rumble strips.

The paving of this second segment, immediately adjacent to the segment that was funded by the IGLCBC last year, will further benefit patrons of the Casino, and, therefore all members of the Barona Band of Mission Indians and all users of Wildcat Canyon Road.

- 3) Mitigation of Impacts: Application of approximately 3.0" RAC overlay would enhance the bearing capacity of the road, reduce routine maintenance needs on the road and reduce the roadway noise. The road surface will offer a smoother ride, thus removing many road anomalies offering both the Barona Casino customers as well as surrounding residents a quieter road.

ROAD TO ½ MILE SOUTH OF PAINTED ROCK ROAD**

Section M.

**NOTICE TO THE PUBLIC THAT THIS PROJECT RECEIVED FUNDING FROM
THE INDIAN GAMING SPECIAL DISTRIBUTION FUND**

The construction contract shall require that during construction, the contractor will erect a project information sign acknowledging that the road improvement was being constructed with matching funds from the Indian Gaming Special Distribution Fund and emblems/logos from the contributing tribes, Barona and Sycuan, would be included.
