Hello

CPUC project managers email PDF versions of letters but often don't follow with a signed version. I am pretty sure that will be the case here. The email itself serves as the record.

Linda:

Billie Blanchard, CPUC, has requested that I send you her reply regarding the Rough Acres property and SDG&E's restoration obligations for impacts there. The letter approving your plan for using alternative locations is attached. If you have any questions, please contact Billie.

Regards

Fritts
